

Principal's Report to P&C

10 May 2017

Easter on the Green: From the school's perspective this was an outstanding success. Many thanks go to every member of the P&C who worked to make this event so memorable. The staff have reviewed the event and reflected on ways to further develop it in consultation with the P&C. This information is currently being collated and will be forwarded on when completed.

P&C Funding Submissions:

At the time this report was written 8 funding requests totalling almost \$15000 have been submitted to the P&C for consideration.

1. Play and Learn program
2. English/Literacy resources
3. Year 6 camp subsidy
4. World Book annual subscription
5. Trophy engraving
6. Book Week
7. ECE iPads
8. Nature Play/STEM resources

Our Vision

"Madeley Primary School will nurture and promote life-long learners within a positive school community where respect is valued and independence and excellence are expected."

CONNECT School Space: The Madeley Primary 'School Space' on Connect was started in Term 1. The Department of Education has provided us with this exciting new tool which we are now using to communicate with parents. With this tool we will be able to share information, create discussions and make important documents available to you. You can access the information from a computer or through the Connect Now app available on your mobile device. We can also provide you with the most up to date calendar of school events.
