

Principal's Report to P&C

Meeting held on 21 June 2017

School Production: This was a wonderful opportunity for students to have some fun and show off their performing arts abilities for an audience on a big stage. It was very well supported with both performances being sell outs. Many thanks go to Ms Kane for her work and to all the staff and parents who helped with props, make-up and costumes.

NAPLAN: Year 3 and 5 students completed NAPLAN assessments in Week 3 of Term 2. NAPLAN results will be provided to schools sometime between mid-August and mid-September. Parents will receive an individual report which outlines how their child has performed. More information can be found at the NAPLAN website <https://www.nap.edu.au/home>

One to One Program: On June 6 parents of students who will be in Year 4 in 2018 were notified that the One to One Program has changed with the choice of either an iPad or MacBook being provided. This helps address the concern raised by many parents about the cost of the program.

Languages Other Than English 2018: Earlier this term a discussion thread regarding LOTE was posted onto Connect and a survey was started via our school newsletter. Many thanks go to the parents who joined the discussion, shared their thoughts and completed the survey. Year 5/6 students were also surveyed to find out what language they think Madeley students should study in the future.

The school will now consider all the relevant factors as well as the survey information in order to decide on a language and delivery format for LOTE in 2018.

Trading Card Club: The TCC started again for interested students. The club meets every Tuesday at lunchtime during the winter months. Students require parental permission to participate in the TCC.

World Book Subscription: At a previous P&C meeting questions were asked regarding the use and cost of the World Book subscription in comparison to the free resources which are also available. The subscription pays for content that is not available for free which includes:

- World Book Differentiated package
- World Book mobile
- World Book Kids
- World Book Student
- World Book Discover
- Enciclopedia Estudiantil Hallazqos
- Science Power
- Social Studies Power
- Early World of Learning
- World Book Timeline

The World Book website also provides online training and webinars for subscribed schools.

Nature Play: A meeting with the planners will be held this Friday to look at the concept plan and talk through cost.

Our Vision

"Madeley Primary School will nurture and promote life-long learners within a positive school community where respect is valued and independence and excellence are expected."
