Dress Code Policy

Policy Statement

Madeley Primary School has a community endorsed dress code that, in accordance with the School Education Act of 1999, ALL students are to conform with unless otherwise directed. The cooperation of parents is sought in setting and maintaining a high standard of dress, appearance and cleanliness from their child by ensuring that they conform to the dress code.

The School Board has endorsed the implementation of a Dress Code as it enhances a sense of belonging, focuses students when at school and assists with the identification of unwelcome visitors. The Dress Code also promotes a positive image of the school by ensuring a high standard of presentation.

The school uniform shop has low cost clothing items with school logos available. Students who do not wear items purchased from the uniform shop should ensure that they wear items that match the school colours and do not contain advertising or slogans.
