

CAMP AUSTRALIA

we make kids smile

At Camp Australia we have been Making Kids Smile for over 30 years.

Each day before or after school, we are here to provide a safe and supportive space where kids can connect, experience a sense of belonging, discover their strengths and build resilience.

We deliver safe, meaningful and affordable programs that help families balance life and work responsibilities.

Our programs embrace the values of each school we partner with, so we're able to collaborate and build on every child's educational experience and personal interests – making sure they feel at home with us.

Staff

Our commitment is that we will have consistent, well trained, compliant and engaging educators that you feel comfortable leaving your children with.

Programming

Our child centred curriculum gives options for our kids to develop through action, inventiveness, music, nutrition, contemplation, reflection, and more.

Inclusion

We embrace diversity and welcome all genders, religions and cultural backgrounds; as well as supporting children with additional needs to ensure they also receive our highest quality of care.

Safety

Every staff member is trained in our Child Safe Policy, which covers all aspects of keeping children safe in Outside School Hours Care. This is the most important part of what we do every day.

Booking Options

You can self serve with complete access and control over bookings and cancellations via our world class real time parent portal. Inside, you can select booking schedules and fees that best suit your lifestyle.

24/7 Customer Care

Another industry leading aspect of our service is our Customer Care Team that is there to support our Families and our staff 24 hours a day, 7 days a week.

Nutrition

We understand just how important a healthy lifestyle is for a child's development and it shows in our dedication to healthy eating and physical activity.

Government Subsidy

At Camp Australia you can receive the Child Care Subsidy (CCS) when using our services. We would strongly recommend you apply to see if you are eligible and what your entitlement may be.
